The Main Challenges from Terrorists in the Jenin Camp

- Widespread violence against security forces, including precise fire toward soldiers, as well as the hurling of rocks, Molotov Cocktails, burning tires, explosives and more.
- Accelerated Islamic Jihad terrorist activity, using every opportunity to destabilize the area and strengthen terrorism.
- Presence of a wide range of weapons - explosive devices, guns and more.

The Islamic Jihad in Jenin

Approximately 25% of the population in Jenin is affiliated with the Islamic Jihad terrorist organization. The leaders of the terrorist organization in the Gaza Strip and Syria invest great efforts to provide weapons, funding and military training for terrorist operatives in Jenin in general and in the camp in particular, in order to operate against the IDF and carry out terrorist attacks on the Israeli home front.

Hamas in Jenin

Approximately 20% of the population in Jenin is affiliated with the Hamas terrorist organization. The terrorist organization operates to strengthen terrorist infrastructure in Jenin, publicly praises terrorist attacks that originated in Jenin and incites further terrorist attacks by the residents of Jenin against the State of Israel.

As proven, the terrorist organizations attempt to 'set the West Bank ablaze' and view Jenin as an ideal opportunity for this activity.
